IV. SIGNATURE ON FILE FORM

I authorize Holyoke Dental Associates to release medical or other information (which may include photocopies of medical and/or dental histories, x-ray findings, photos or CDs, diagnosis, treatment, prognosis and financial records) without limitation to determine benefits for treatment or a related insurance claim.

I permit a copy of this authorization to be used in place of the original, and request payment of benefits to the party who accepts assignment.

I am aware that I am responsible for any and all charges not covered by my Insurance Company or other third party payer.

V. AUTHORIZATION TO SHARE PRIVATE HEALTH INFORMATION (OPTIONAL)

If you wish to grant permission to our staff to speak with a friend or family member regarding your private health information – including your billing account – please complete the following. It will be in effect until it is revoked by you or updated with new information, whichever comes first.

If you leave this section blank, it will be considered a revocation of any previous authorization:

I give permission to the staff of BZD Dental Associates/Holyoke Dental Associates to release my private health information and billing account information to the following individual(s):

HIPAA Consent

- When you receive treatment at Holyoke Dental Associates, information will be collected about you, and this office will generate information about your medical condition. This private health information falls under Federal regulation within a law called the Health Information Portability and Accountability Act (HIPAA). **This information may be used or disclosed for treatment, payment, or to carry out healthcare operations.**
- There is a Notice of Privacy Practices posted in this office and available to you regarding the use of your private medical information. You have a right to review this document before giving consent for your care.

- You have the right to request that Holyoke Dental Associates restrict how your medical/dental information is used or disclosed, but Holyoke Dental Associates has the right not to agree with your request. If the practice (Holyoke Dental Associates) agrees to the restrictions, they are binding on the dentists, providers and staff.
- You have the right to revoke your consent to use your health information, except to the extent that your provider has already taken action based on previous consent.
- If you do not consent to this health information policy, Holyoke Dental Associates reserves the right not to provide care to you and to arrange care from another dental practice. We will not restrict or refuse your care in a medical/dental emergency.
